

WARMEST SEASONS GREETINGS FROM RAFFETY

DECEMBER 16, 2019

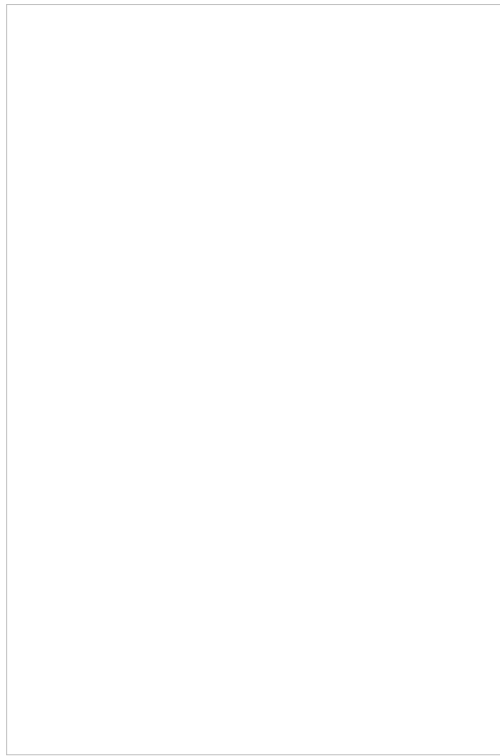

It has been a busy year at Raffety – our showroom in Devon is now complete, and we have a new website – you can now buy directly from the website, plus read our blogs and get interior design inspiration, so please do have a look here! On our website you can also take a 360 degree virtual tour of the showroom, but we'd also love to welcome you to Devon, so get in touch if you'd like to visit.

If you are still in need of Christmas gift ideas, we have a number of new items that might appeal – if your special someone loves the outdoors, then this elegant George II period stick barometer by Polti of Exeter (below) might be the best option, keeping them on top of changing weather.

Or perhaps this wonderful satinwood architectural bracket clock by James Evill of Bath (below), dating from about 1790, might be the perfect choice. It will make an elegant focal point in any room.

As always we are on hand to help with all your enquiries, so do get in touch if there is anything in particular you are looking for.

We wish you all a very happy holiday season and hope to see more of you at the Devon showroom soon!

With all best wishes,

Nigel
