3' 2¹/₄" x 0' 5¹/₄"

England, circa 1800
97 x 13 x 6 cm (38 ¹/₄" x 5 ¹/₄" x 2 ³/₄" inches)
Mahogany

A fine and well-proportioned early 19th century figured mahogany barometer signed 'Cremonino, Fecit.'

This barometer has a broken arch pediment above a flush-glass door, enclosing an engraved silvered register plate and thermometer.

The mahogany case with string inlay has a circular cistern cover at the base, embellished with a satinwood paterae.
